Welcome

Overlooking the ancient Murchison River Gorge, meet Colleen Drage, Nhanda Elder (image inset). Hear the stories behind this land, and discover the many native flavours hidden within the bush. Experience this on the Western Wonderland and The Wildflower Wanderer tours.

'Walk to sky' at the Kalbarri Skywalk, WA.

We offer our respect and gratitude to the First Nations, Torres Strait Islander and Māori custodians who have nurtured the land and its cultures for so many millennia, and who are now some of our most trusted partners in introducing you to these wonderful parts of the world.

Wild, wide and wonderful, Australia and New Zealand continually excite and inspire. It doesn't matter how many mountains you've climbed or remote island shores you've visited, there's always something new to discover with us.

Welcome Traveller,

I've been fortunate to travel much of Australia and New Zealand, yet I still have a never-ending travel wish list. Tick off the must-dos – Kata Tjuta, Milford Sound – but ensure you delve deeper into these places and meet the incredible people who call them home.

This is exactly what we'll do when you travel with us, and we're thrilled to share the many extraordinary experiences we have on offer. Head into the Outback, dining in the desert, just 150 metres from Uluru, sharing stories with new friends under the stars. Experience the bubbling mud and geysers shooting steam into the sky while you're welcomed at the 'Te Aronui a Rua' meeting house in Rotorua, learning more about Poi and Haka traditions.

Each year, we add **MAKE TRAVEL MATTER™** Experiences to our itineraries. Loved by our guests, these experiences provide in-depth insights into communities – those having a positive impact and people who have incredible stories to share. Travel to the lakeside town of Te Anau, where a boat awaits on Lake Manapouri. You'll discover how your cruise supports the Pomona Island Charitable Trust, protecting the islands through community-based conservation projects. These moments may not be the reason you travelled here, but they'll create wonderful memories you'll take back with you, making your adventure truly remarkable.

Explore our expertly crafted tours, full of new experiences and much more. They're proof of how we push boundaries each year, curating the best travel moments for you. As always, it's easy and convenient to travel with us. We have over 100 years of experience, premium coaches, and knowledgeable, friendly Travel Directors and Driver Guides.

Let us take you places!

Sincerely,

Ben Hall

100+ Years of Adventure and many more to come

A century ago, the Australian outback was but a twinkle in most travellers' eyes. But thanks to visionaries like the Pyke family and Bill King, how we explore the Land Down Under was about to change in unimaginable ways. Over the coming decades, maps were unfolded, desert cruisers and coaches were customised, and guides were trained. From humble beginnings, together we travelled to places few had gone before, pioneering new paths across Australia and New Zealand and taking intrepid domestic and international travellers on a wild and wonderful ride.

We've come a long way since then and clocked a few kilometres in the process. But some things will never change. Like our spirit for adventure, our oh-so-knowledgeable and passionate Travel Directors and Driver Guides, and the life-changing experiences we offer – the kind that only 100 years of exploring affords.

Join us on a fully immersive off-the-beaten-track adventure!

"Keep doing what you're doing, but try and do it better" – Bill King

“ Marty was fantastic, possibly the best guide we have ever had in our vast travels. Bus was comfortable and great driver. Travel group size was perfect. Accommodations, meals and experiences all excellent.

Marty (above)

New Zealand Travel Director

"Kia Ora! It has been such a pleasure showcasing New Zealand to our guests for over twenty years as a Travel Director. I enjoy sharing enriching travel experiences within our exceptionally varied landscapes, immersing our guests in our unique, vibrant Māori culture, and adding exciting adventures along the way. I love being a part of their journey of discovery and providing the very best New Zealand has to offer, with new friendships and amazing shared experiences."

Glennon (left)

Northern Territory Travel Director

"My journey to becoming a Travel Director with AAT Kings is deeply rooted in my family's history and connecting with my ancestors here in the Red Centre. Travelling from my home, the Tiwi Islands, I've had the chance to not only explore this country but also to share these destinations with visitors from around the world."

Come join us, and discover these locations for yourself, through the eyes of those who live here and know it best."

Amazing Experiences

For a century, guests have entrusted us to help them explore almost every corner of these wild and wonderful countries. And over the years, we've met a few characters along the way. These enduring friendships between our amazing people and the locals we visit help us craft expert and authentic travel experiences. Moments that will make you feel fully immersed, with real people, in locations you likely never knew even existed.

Here are some of our favourites, but there is so much more to discover.

An Outback barbecue right next to Uluru, NT

Sunset with wine, good conversation and of course Uluru in full view. Opportunities like this are one in a million, similar to the stars shining up above as you enjoy an Outback barbecue in a casual atmosphere. As Uluru's shadow fades away leaving only a dark silhouette, you'll discover the Milky Way, and the constellations of the desert night sky.

Farm-to-table freshness at Mt. Gnomon, TAS

If visiting the cutest-sounding town on the planet is on your bucket list, ensure this is included on your itinerary. The Mt. Gnomon Farm sits just outside Penguin in the north of Tasmania, and is the site where fifth-generation farmer Guy Robertson and his family have perfected centuries-worth of skills in cider orchards and gardens. Your farm-to-fork lunch amid this lush setting is like Tassie in a fresh and flavourful mouthful.

Churn things up on a dairy farm in Waikato, NZ

The Waikato countryside, 150 kilometres south of Auckland, is the stuff of postcards. It's particularly pretty at the Red Barn, a fully functioning dairy farm where you'll not only meet the gorgeous wide-eyed cows, but also try your hand at churning butter – then spread it thick on freshly baked bread before sitting down to a paddock-to-plate, country-style lunch.

Amazing Experiences

Protecting secluded islands as you cruise NZ's loveliest lake

Travel to the lakeside town of Te Anau, where a jet boat awaits on Lake Manapouri. Your exhilarating ride supports the restoration and conservation of Pomona and Rona Islands, plant and animal sanctuaries for many threatened species. This **MAKE TRAVEL MATTER™** Experience contributes to the Pomona Island Charitable Trust, which monitors birdlife, actively enhances bird populations, and protects the islands through community-based conservation projects.

Dot painting in the desert with working artists, NT

Approximately 900 Anangu artists make up the collective that is Maruku Arts. Join them, learn their world-renowned craft, and understand the deep and spiritual connection they have with this land. Create a masterpiece of your own, using their storytelling techniques on this **MAKE TRAVEL MATTER™** Experience, which supports Maruku Arts in preserving and protecting their traditions.

MAKE TRAVEL MATTER

Discover your destination through the kindness of the locals, learning directly from those who give back to their community.

Simply enjoy special and unique moments on your holiday, connecting with our partners, visiting those who run initiatives, and those supporting local and traditional cultures.

Have a positive impact while you travel. Look for the **MAKE TRAVEL MATTER™** Experience seal on your tour.

MAKE TRAVEL MATTER EXPERIENCE

MAKE TRAVEL MATTER™ Experiences are conscious travel experiences assessed against a robust set of criteria using a proprietary assessment tool endorsed by industry experts and developed exclusively for The Travel Corporation's (TTC) family of brands.

Australia's largest salt lake, SA

Milky pastel pinks, glowing aqua and electric white, these are the unimaginable colours of Kati Thanda-Lake Eyre. Best seen from the skies due to its sheer size. Your included scenic flight will fly over Anna Creek Painted Hills, past the amber-coloured rocky terrain which suddenly arises from the desert, before heading over the famous Salt Lake; both are displays of aerial art.

Stories shared at Pounamu Pathway, NZ

Māwhera Pā is the ancestral home of Poutini Ngāi Tahu. Listen as you discover their stories in this immersive experience - tales of giants, warriors, trade, and treasure. Learn about pounamu and the significance of greenstone, a stone with a long history and a sacred material that holds 'mana' (spiritual power).

Afternoon tea with the Taylors, NZ

On the shores of Lake Tekapo, you'll meet a cooking legend, a local who's known for her heavenly pavlova. You'll sample this sweet treat, watching it made with care by Angie herself, while Stan Taylor shares stories over a cuppa. You may even sport a pinny, getting stuck in to help bake this family recipe.

350-million-year-old Devonian Great Barrier Reef, WA

Take a deep dive into First Nations culture with an Indigenous guide at the spectacular Mimbi Caves. Discover rock paintings and hear Gooniyandi Dreaming stories. Observe the limestone formations, marine fossils and crystal-clear freshwater pools.

1 Welcome to Auckland

Auckland never fails to turn on the charm, as you'll discover while exploring the city at your leisure before meeting your Travel Director and fellow adventure seekers for a welcome drink tonight. **Hotel: Adina Apartment Britomart.**

2 Auckland – Bay of Islands

Hit the road this morning for a scenic sojourn to the Bay of Islands. This pocket of the country deserves its name – there are more than 140 subtropical islets off the coast here, lined with blissful undeveloped and unpeopled beaches. It's undeniably beautiful, but it also holds a special historical significance; this is where the Treaty of Waitangi was signed in 1840, between Captain William Hobson and Māori chiefs, officially denoting New Zealand as a member of the Commonwealth. Your guide, who's possibly a descendant of one of the original signatories, will explain the importance of the site, while pointing out the world's largest ceremonial war canoe and a carved meeting house. These are just some of the Māori artefacts that characterise this part of the north coast. **Copthorne Hotel & Resort, Bay of Islands, 2 nights. B D**

3 Bay of Islands Free Time

If there's a travel destination that inspires wanderlust, the Bay of Islands is it. Today, trip

the light fantastic and head off on an optional experience in whatever direction you please. Perhaps out onto the water to ride the waves on a Bay of Islands tour aboard a historic tall ship, glass of New Zealand wine in hand. Or maybe on a mini jaunt around the romantic town of Russell, the country's first permanent European settlement and seaport (both own expense). Fun fact: the town's streets retain their original names and layout from 1843. Just ask your Travel Director for touring tips – and places to wine and dine in between. Wherever your NZ holiday takes you today, we recommend finding somewhere special to salute the end of the day – this part of the country was made for blazing sunsets. **B**

4 Bay of Islands – Auckland

If you've never heard of Whangarei, you're probably not alone. But today, New Zealand's most northerly city is well and truly on your radar. A place where waterfalls meet beaches, galleries meet museums, Whangarei is the country in a tantalizing snapshot – explore the picturesque town basin – before sinking back into your seat for the mesmerising commute back to Auckland. **B**

🌿 Make Travel Matter

Through your scenic jet boat ride in Lake Manapouri, you'll contribute to Pomona Island Charitable Trust's conservation efforts to restore the largest inland island in New Zealand to its natural state.

🌍 World Class Nature

Snow-capped mountains, a mirror-like lake, white-water rivers and vine-laced fields. Queenstown is blessed with natural assets.

1 Welcome to Christchurch

At once forward-thinking and fun, Christchurch is the kind of city you could lose yourself in for a week – or more. You have this afternoon, so make the most of it. Time to meet your fellow adventure-seekers over a couple of wines and local canapés at a Welcome Reception. **Hotel: Distinction.**

2 Christchurch – Twizel

If you didn't get your Christchurch bearings yesterday, you certainly will on today's city tour, taking in the record-breaking Cardboard Cathedral – who knew you could build a church from cardboard? The buildings of the city fade into a patchwork of farms as you ease across the Canterbury Plains towards Lake Tekapo. Here, retired farmers Angie and Stan Taylor welcome you to their home with a slap-up Be My Guest afternoon tea and tales about life on the land. And this land is truly dramatic, backdropped by powdery mountains and cut with turquoise lakes, none quite as pretty as Lake Tekapo, on its banks the stone-hewn Church of the Good Shepherd. **Hotel: Distinction Mackenzie Country. B AT D**

3 Twizel – Dunedin

Oamaru has a rich history and proud heritage, enriched by passionate and perhaps quirky locals. Explore the shops, galleries and traditional crafts within some of the Southern Hemisphere's most complete Victorian streetscapes. You're en route to Dunedin, replete with rolling green meadows and a grand stone castle. It kind of feels like you've been transported to Scotland – small wonder it's known as the 'Edinburgh of the South'. Afternoon at your leisure, we recommend a visit to Speight's Brewery – a New Zealand institution. There's always that castle to explore... Larnach may not have the history of Scotland's grand estates, but it's just as pretty in our humble opinion (own expense). **Hotel: Scenic Southern Cross. B D**

4 Dunedin – Te Anau

Leave Dunedin and pass through sheep-farming countryside as you venture into World Heritage listed Fiordland National Park, a place of yawning gorges and gem-like glaciers, and azure lakes so large they have their own islands. Case in point Pomona Island, where a charitable trust of passionate volunteers works to restore flora and fauna on this **MAKE TRAVEL MATTER™** Experience. Take a thrilling jet boat ride down the Waiau River to Lake Manapouri and if that's not enough water for one day, you may choose to cruise to the iconic Glowworm Caves (own expense). Can we tempt you? **Hotel: Distinction Te Anau. B D**

5 Te Anau – Queenstown

Nature rules again today, from the moment you depart Te Anau and begin your journey deep into the heart of Fiordland National Park. Think native rainforests, beech forests, alluvial flats and meadows; Mirror Lakes perfectly reflecting mountain scenery; and precipitous lookouts holding guard over alpine rivers. And this is just the entrée. The main course is your Milford Sound/Piopirotahi tour, where you cruise in the company of fur seals that bask on the rocks, and gaze at misty escarpments so sheer they appear to cleave off the edge of the Earth. You're in the company of a naturalist who knows every nook and cranny of this mighty cavern and will point out flora and fauna you would have never spotted on your own. **Hotel: Millennium, 2 nights. B**

6 Queenstown Free Time

Take today at your own pace. Like things fast and furious? Feel the wind in your hair on a high-octane jet boat ride, perhaps. Prefer wine to get your heart started? See why Central Otago makes some of the world's most raved about cool-climate pinots on a cellar door tour (both own expense). Reunite with your companions come dusk to glide across Lake Wakatipu aboard the historic TSS Earnslaw, your barbecue Highlight Dinner served on the grounds of Walter Peak High Country Farm. **B D**

7 Queenstown – Franz Josef / Waiau

In the shadow of the Remarkables, Queenstown is pretty spectacular. But it has some stiff good-looks competition from neighbouring Arrowtown, with its movie-set tree-lined avenues and 19th-century buildings that once housed gold-rush fortune-seekers. Things grow well in this verdant countryside, from cherries to pinot grapes and all manner of stone fruit. Prepare for a flavour explosion at a roadside stall run by the interminable Mrs Jones, a local institution. The next explosion is a visual one as you arrive in the town of Franz Josef/Waiiau, home to Franz Josef Glacier/Kā Roimata o Hine Hukatere. Get some perspective of this immense ice fall on a scenic helicopter flight – you may even get to land on it (own expense). **Hotel: Scenic Franz Josef Glacier. B D**

8 Franz Josef/Waiiau – Punakaiki

Explore the small but lively Franz Josef/Waiiau village before venturing to Hokitika, home of New Zealand's native jade greenstone. Then soak in the natural surroundings as you head to Punakaiki to view the Pancake Rocks and Blowholes, where waves thunder through cracks in the Earth. This is the soundtrack that lulls you to sleep at tonight's eco-resort. **Hotel: Scenic Punakaiki. B D**

9 Punakaiki – Christchurch

Join us at Pounamu Pathway. Embark on a unique self-guided journey, as you make your way through this extraordinary storytelling experience born from a collaboration with the Weta Workshop. We've got you sorted for lunch at legendary Monteith's Brewery. All aboard for the scenic TranzAlpine train back to Christchurch, through tunnels and over viaducts, with panoramic views of snow-capped peaks, icy rivers, beech forests, gorges and river valleys. **Hotel: Distinction. 2 Darwin

Today is about getting your Darwin bearings on a city tour revealing the events that have shaped the city over the decades, from wars to natural disasters. You'll be a Darwin expert after visiting attractions like East Point Military Reserve and the MAGNT (Museum and Art Gallery Northern Territory). The afternoon is at your leisure. Grab a bite and watch the day end with your feet in the sand. **B**

3 Darwin – Kakadu

Aboriginal culture is strong in this part of Australia, and its kept alive by Traditional Landowners on this morning's tour. 100% Aboriginal owned and operated family business, Pudukal offers cultural and nature-based cultural experiences from the Adelaide River Flood Plains on Aboriginal owned land Limilngan-Wulna. On this **MAKE TRAVEL MATTER™** Experience, dive deep into First Nations heritage, highlighting art, music and bush tucker. Your next deep dive is into the heart of Kakadu, a World Heritage listed national park that is one of Australia's most important living ecosystems. **Hotel: Mercure Kakadu Crocodile, Jabiru, 2 nights. B D**

4 Kakadu National Park

Kakadu is vast, spanning almost 20,000 square kilometres. The best way to gain appreciation for just how immense it really is from the air on a highly recommended morning flight (own expense). Now that you have your bearings, take to the land to discover ancient Aboriginal rock art and cruise the wildlife-packed Yellow Water Billabong to search for enormous saltwater crocs – your eagle-eyed local cruise guide knows where to look. **B**

5 Kakadu – Katherine

From one glorious national park to another... today's backdrop is the escarpments of Nitmiluk National Park, carved out over millions of years. Cruising through Nitmiluk Gorge is a humbling experience even before you know the region's history. Hear the ancient story of the cicada, embodying the spiritual connection between the Jawoyn people and their land. **Hotel: Knotts Crossing Resort. B D**

6 Katherine – Tennant Creek

If the Eley Homestead looks familiar, that's because it starred in the 1982 Aussie drama *We of the Never Never*. Today it's better known for its Mataranka thermal hot springs. Pop on your swimsuit and have a soothing soak, the magical setting surrounded by palms. The only thing more refreshing is a cold beverage at the Daly Waters Pub, self-declared as Australia's 'original outback pub'. You can imagine the kind of swagger the locals bring. Visitors are encouraged to leave their mark as well; a memento, something of their own. **Hotel: Bluestone Motor Inn. B D**

7 Tennant Creek – Alice Springs

The Stuart Highway is long (2,700 kilometres), very straight and very flat. Which makes the appearance of Karlu Karlu (Devils Marbles) on the horizon all the more dramatic. These granite boulders pock the countryside. But they're not just a pretty sight – they're a sacred place for the Aboriginal community reflecting cultural beliefs and serving as a sacred site for ceremonies and storytelling. Get the lay of the land atop Alice Springs' Anzac Hill. From this vantage, the East and West MacDonnell Ranges appear to stretch to the horizon. **Hotel: DoubleTree by Hilton, 2 nights. B**

8 Alice Springs

Visit the Alice Springs Desert Park, home to a vast range of plants and wildlife native to the area. You can really experience the beauty and diversity of this incredible landscape. The Arrernte people, traditional owners of the park, are also on hand to share their local wisdom and knowledge. Tasmanian Wonders

Highlights

✂ Flexible Holidays

Make the 2 hour hike around Dove Lake, OR head to the warmth of indoors and explore the art gallery at Cradle Mountain Hotel.

📍 Iconic Sites

From untamed wilderness areas like Cradle Mountain and Freycinet National Park to the World Heritage listed Port Arthur, Tassie is not short on attractions.

Make Travel Matter

Walk with an indigenous elder to learn about the history of the local Aboriginal people, and discover bush tucker growing along the banks of the Derwent.

🌲 Natural Wonders

Cruise the Gordon River amid World Heritage listed wilderness, the banks clad with ancient forest, including a 2,000-year-old pine.

1 Welcome to Hobart

The Tasmanian capital of Hobart may be small in size, but it's big in attractions, as you'll discover this afternoon. Put your destination into perspective from the summit of Mt. Nelson, offering endless vistas over Australia's southernmost city. View the charming Georgian cottages of Battery Point and convict built warehouses along Salamanca Place, the backdrop of epic Saturday markets. Gaze over boats at Constitution Dock - this is where yachts finish when competing in the annual Sydney to Hobart race, and take a stroll in the second oldest Botanical Gardens in Australia with its amazing collection of plants from around the world. Tonight, join your Travel Director for a Welcome Dinner. **Hotel: Best Western. D**

2 Hobart – Strahan

Western Tasmania is like nature amplified, a place where the wilderness rules and people are few and far between. Visiting Mount Field National Park is a humbling experience, not only for the fact it's part of the Tasmanian Wilderness World Heritage Area, but also because it's home to some of the tallest eucalypts and flowering plants on Earth. Wander amid these giants to reach Russell Falls – take a deep breath; you're officially on holiday. Records continue to be broken at Lake St. Clair, the deepest freshwater Lake in Australia, before you arrive in Strahan, gateway to World Heritage listed Franklin-Gordon Wild Rivers National Park. **Hotel: Strahan Village. B D**

3 Strahan – Cradle Mountain

The inky waters of the Gordon River – given its colour by amber buttongrass tannins – are as eerie as they are beautiful, the mirror-like surface only broken by your chariot out to Sarah Island. It's hard to reconcile the beauty of this part of the state with its grim history as a penal colony; a place where convicts would fell Huon pines for boat building. Thankfully, they didn't get to the 2,000-year-old pine that still stands proud at Heritage Landing. Early settlers didn't mince their words when they called the treacherous entrance to the river's harbour Hells Gates. You'll understand why when you drift past. Cradle Mountain awaits to the north. We're sure you'll be content by the fire perhaps with a glass of wine. **Hotel: Cradle Mountain. B L D**

4 Cradle Mountain – Burnie

Today your journey reaches new heights – quite literally with a visit to the 1,545-metre Cradle Mountain, your backdrop as you explore Dove Lake on your Cradle Mountain tour, the wild alpine moorlands here a natural magnet for lovers of the wilderness. The spectacular and pristine wilderness of Cradle Mountain is home to the mysterious and secretive Tasmanian Devil. You'll love the next adventure today, a **MAKE TRAVEL MATTER™** Experience. A Day Keeper tour at Devils @ Cradle will lead you through the sanctuary and provide you with a thorough insight into its operation. When joining this tour you will be directly supporting these animals and threatened species conservation. Leave the Central Highlands after an uplifting day and head towards the scenic north-west coast for your overnight stay. **Hotel: Beachfront Voyager Motor Inn. B L**

5 Burnie – Launceston

Table Cape is by far Wynyard's most remarkable natural wonder, at 180 metres high, 'The Cape' - as locals refer to it - offers spectacular views of Tasmania's coastline. As you drive to the top of the remains of a 12-million-year-old volcano you'll reach Table Cape lookout where, on a clear day, you can see mountain ranges over 175 kilometres away. If there's a town with a cuter name than Penguin, we're yet to find it. Locals embrace its appeal – there are penguin sculptures at every turn, including one measuring over 3 metres tall. Your journey along the northwest coast also passes through Ulverstone and Sheffield, The Town of Murals, boasting over 100 large paintings depicting the area's rich history and local characters. All this exploring builds an appetite. Refuel at Ashgrove Tasmanian Farm, where happy cows contribute to award-winning cheeses – everything from cheddar and red Leicester to creamy Tasmanian blue. For lovers of sweeter delights, why not treat yourself to a delicious locally made ice cream? (own expense) **Hotel: Best Western Plus, 2 nights. B**

6 Launceston

There are few places in the world where you can leave the city behind and within minutes be surrounded by nature. Launceston is one. Blink and you're at Cataract Gorge, a yawning chasm carved by ancient rivers. This rare natural phenomenon unites bushland with neat Victorian gardens, replete with ferns and exotic plants. Get a different perspective of the

Bridestowe Lavender Estate

green cavern on the scenic chairlift, zipping you over the water to a lofty lookout. We wouldn't blame you for lingering here, or perhaps this afternoon take one of the river cruises on offer (both own expense). The choice is yours. **Guests depart this afternoon in Launceston (Code: FHHL). Guests join this afternoon in Launceston (Code: FLHH). B**

7 Launceston – Bicheno

You'll smell Bridestowe before you see it, this enormous lavender farm perfuming the Tasmanian countryside. The flowers grown here aren't just used in fragrances – they're also infused into ice-cream, teas and jams. It's a tasty entrée to the Legerwood Carved Memorial Trees, sculpted into World War One soldiers. Little penguins come out to play in Bicheno; sign up to spot them after dark as they waddle to shore from the water (own expense). **Hotel: Beachfront at Bicheno. B D**

8 Bicheno – Hobart

The colours at Freycinet National Park are so vivid you'll think someone has taken the glasses off your nose and cleaned them for the first time: The patchwork of ocean blues that lap Coles Bay. The dramatic pink granite cliffs. There's a reason why the peninsula stars on postcards. The other place on postcards is Richmond, its grand 1820s Georgian buildings today home to bijou boutiques, galleries and cafés that appear to be lost in time. Your last stop for the day is to the shores of the Derwent River where local palawa will welcome you to country and show off some local bush tucker. **Hotel: Movenpick, 2 nights. B**

9 Port Arthur Historic Site

The Isle of the Dead, Devil's Kitchen, Blowhole... the attractions at and around Port Arthur nod to the region's notoriously grim history. This is the best-preserved convict site in Australia, and among the most significant convict-era destinations worldwide. The stories these walls could tell. Enjoy a Farewell Dinner tonight at a historic waterfront pub. **B D**

10 Farewell from Hobart

It took early explorers months to circumnavigate Tasmania. You've done it in 10 days. What a wild ride. **B**

1 Welcome to Perth

Perth may be the Western Australian capital, but it's home to a remarkable amount of green space. Join your Travel Director on a city sights tour and a stroll in Kings Park, whose Botanic Garden is home to over 3,000 floral species. Meet again this evening for a Welcome Dinner with your travelling companions. **Hotel: Holiday Inn West Perth. D**

2 Perth – Wave Rock

Wave Rock deserves its name – the cliff resembles an enormous surf wave above the bush. Wave Rock locals are a friendly bunch, passionate about the place they call home. But don't take our word for it. Meet Sheenagh, who will show you her farm and talk life on the land. Which can be harsh, but also healing, in a way unique to the Aussie outback. You may even get to feed her cattle. View the family's collection of vintage cars and hear about the stories behind them. **Hotel: Wave Rock Motel. B D**

3 Wave Rock – Kalgoorlie

View the wide gold rush era streets and buildings of Kalgoorlie and see the vista over the staggering 'Super Pit' open-cut gold mine. Today's outings continue to gleam as you visit Hannans North Mine; nothing puts life into perspective like standing next to enormous Haul trucks and loaders. **Hotel: Rydges. B D**

4 Kalgoorlie – Esperance

More than 31,000 hectares of sweeping heathlands, rugged coastal peaks and white sandy beaches... it's no wonder Cape Le Grand National Park is voted among the most alluring of its kind in Australia. Just when you thought WA couldn't get any prettier, you arrive at Thistle Cove – listen for the whistle of the Whistling Rock among the sounds of wind and sea – and Lucky Bay, a postcard-worthy cove where kangaroos sunbake on the sand. **Hotel: Comfort Inn Bay of Isles. B D**

5 Esperance – Albany

Today's journey takes you to Stirling Range National Park, blanketed with 1,500 species of wildflowers (seasonal), some of which are found nowhere else on Earth. Enjoy perspective from the Bluff Knoll Lookout, one of WA's highest peaks. **Hotel: Dog Rock Motel, 2 nights. B D**

6 Albany Free Time

Nature, history, food and wine... there's not much that Albany can't do. The hardest thing you have to decide is which direction to wander. Perhaps opt for a tour to the last port of call for ANZAC troopships departing Australia in WWI. Or get a taste for the region on a culinary excursion (own expense). **B**

7 Albany – Margaret River

Suspended 40 metres above the forest floor, the Tree Top Walk gives you a bird's-eye view of the soaring tingle trees that stand large through the Valley of the Giants. The Margaret River region deserves its reputation as one of the county's top grape-growing areas. There are too many high-quality vineyards to name here. So, we'll give you just one: Hamelin Bay Wines. Since 1992, this postcard-perfect estate has been producing wines that hero this pocket of the state. The result is delicious drops that span the spectrum from sparkling to shiraz, rosé to reserve chardonnay, which you'll enjoy during a hosted tasting at the cellar door followed by a dinner in the on-site restaurant. **Hotel: Stay Margaret River. B D**

8 Margaret River – Fremantle

The Margaret River is one of the only wine regions in the world where grapes are grown just metres from the sand. Grapevine backdrops follow you all the way to Busselton, home to the longest wooden jetty in the Southern Hemisphere. The remainder of the day is all yours in Freo. **Hotel: Esplanade Fremantle by Rydges, 2 nights. B D**

9 Fremantle Free Time

Sometimes, the most memorable travel days are those where you lose yourself wandering the foreshore, lingering over lunch or a cool ale. We highly recommend you spend this day of leisure doing just that. If you're catching the ferry for a Rottne Island tour, make sure you have your phone ready to capture selfies with the island's smiley quokkas, not to mention the blindingly turquoise water (own expense). **B**

10 Fremantle – Geraldton

Guests depart this morning in Fremantle (Code: WPPP). Guests joining this morning in Fremantle will need to pre-book accommodation for the previous night (Code: WPMP). Yanchep National Park is staggeringly beautiful, a union of bush and wetlands. The best way to understand its

Wave Rock

significance to First Nations communities is in the company of an Aboriginal guide. On this **MAKE TRAVEL MATTER™** Experience, hear about how stories are told and used. Hear didgeridoo playing, and hands-on learning with traditional tools. Your next stop is Nambung National Park where you're greeted by an ethereal moonscape. Your Pinnacles tour meanders around this collection of head-scratching limestone formations. This afternoon, Geraldton's moving HMAS Sydney Memorial beckons. **Hotel: Nesuto Geraldton Apartment. B**

11 Geraldton – Monkey Mia

Get set for Monkey Mia, located in the heart of the Shark Bay World Heritage region. Keep your sunnies handy at Shell Beach, a powder-white cove formed from billions of coquina bivalve shells up to 10 metres deep, and Hamelin Pool, the world's best-known colony of stromatolites. Aboriginal communities have lived here for 65,000 years; you'll discover this history when you join proud Nhanda man, Darren 'Capes' Capewell. Hear how stories are told, before a didgeridoo performance – men will get a lesson, while women accompany on clapsticks. This experience includes a tasting of bush tucker cooked over a campfire. **Hotel: Monkey Mia Dolphin Resort, 2 nights. B D**

12 Monkey Mia Free Time

This morning watch for the dolphins that swim into shore. The rest of the day is at leisure. We wouldn't blame you wandering barefoot along the beach, ordering sundowners as the day disappears in a blaze of glory. **B**

13 Monkey Mia – Kalbarri

At the Kalbarri Skywalk you'll be welcomed to Country by an Indigenous guide, explaining the stories behind the land on which you stand. Look around you – there's plenty to eat in the Aussie bush, not to mention traditional medicines to cure what ails you. **Hotel: Kalbarri Edge Resort. B D**

14 Kalbarri – Perth

Just when you thought WA couldn't get any more colourful, Hutt Lagoon appears on the horizon – one of the state's pink lakes that changes its pink hues depending on the conditions. Arriving back in Perth you have a Farewell Dinner with your new friends. **Hotel: Holiday Inn West Perth. B D**

15 Farewell from Perth

Bid farewell to your fellow travellers after breakfast. **B**

1 Welcome to Adelaide

The South Australian capital often flies under the radar – locals like it that way, happy to keep their buzzing dining precincts, glorious gardens and on-your-doorstep wineries to themselves. But the secret is well and truly out, and over the course of the afternoon you'll discover just how diverse Adelaide really is. Touring the city you'll cover every interest base: sports (Adelaide Oval), horticulture (the Botanic Garden), culture (the Art Gallery of South Australia) and food (Adelaide Central Market). Tonight, join your Travel Director and fellow travellers for a drink and then wander up to the foodie hub of North Terrace. The city offers plenty of eateries in which to while away your evening. **Hotel: HotelMOTEL.**

2 Adelaide – Ikara-Flinders Ranges National Park

You don't have to travel far from Adelaide to be surrounded by vines. In fact, just 1.5 hours north lies the Clare Valley, and therein one of Australia's most awarded wineries. Knappstein Enterprise Winery's roots reach back to 1878, which yields extremely tasty drops, as you'll discover at the cellar door before lunch in the Clare Valley's atmospheric central town. It's the best way to ease into the wide-open, otherworldly spaces of the Flinders Ranges – your commute is a short journey by coach, but it transports you to ancient landscapes, some 800 million years in the making and home to the Adnyamathanha people for tens of thousands of years. The First Nations community owns and manages your base for the night, Wilpena Pound Resort, and they'll welcome you with spirit and soul. **Hotel: Wilpena Pound Resort. B D**

3 Wilpena Pound – Arkaroola

The cliffs and craters and ravishing red rocks of the Flinders Ranges shine brightly in the morning sun, your outlook particularly pretty from Wangara Lookout. From this vantage, you'll enjoy expansive views over the natural amphitheatre that is Wilpena Pound. It's an awe-inspiring way to start the day, before your journey carves north through dramatic gorges. Keep your eyes peeled for endangered yellow-footed rock wallabies – only 2,250 remain in Australia, and most call this part of the country home. You'll begin to understand why they favour the South Australian outback when you arrive in Arkaroola, characterised by granite mountains and golden

spinifex-covered hillsides and providing a vantage over Lake Frome and the desert beyond. But the real stars here are those overhead, as you'll discover on an astronomy tour that brings the dazzling night sky into full focus. Prepare to be humbled – in the best possible way. **Hotel: Arkaroola Wilderness Sanctuary. B D**

4 Arkaroola – Marree

What was happening in Arkaroola 1.6 billion years ago? On a **MAKE TRAVEL MATTER™** Experience, our local guide will help decode the region's mind-boggling geological history as you navigate the steep slopes and hair-raising ascents of the Ridgetop Track. Plants here are found nowhere else on the planet, and gorges are so vast that they seem to cleave off the edge of the earth. A patina follows your journey northwest to the Ochre Cliffs outside Lyndhurst, where an artist's smudge of fiery hues paints the countryside all the way to the horizon. It's as sacred as it is spectacular, with the Aboriginal community having utilised the rich clay soil in ceremonies for centuries. You can see why this part of Australia was attractive to the 1800s settlers of nearby Farina – but you'll also learn why they departed, leaving an eerie ghost town on the outskirts of Marree, where you'll lay your swimming head for the night. **Hotel: Marree. B L D**

5 Marree – Coober Pedy

Much of the South Australian outback towns exist because of the old Ghan Railway, click-clacking from Adelaide to Darwin. Plenty of history will be revealed on your morning's journey along the Oodnadatta Track, perhaps only outshone by the natural drama of Kati Thanda-Lake Eyre. Australia's largest inland lake is – most of the time – a shimmering saltpan covering hundreds of square kilometres, yet is occasionally transformed by desert downpours into a thriving oasis. You'll have the chance to glimpse it from the air, your bird's-eye view unfolding beneath you like a work of art. Speaking of art – your included scenic flight will also pass over the Anna Creek Painted Hills, a rocky outcrop that literally pops out of the flat desert, creating silhouettes resembling cartoon characters. Touch down to explore the otherworldly countryside before jetting on to your destination, Coober Pedy, brimming with compelling quirks and subterranean adventures. **Hotel: Desert Cave, 2 nights. 6 Coober Pedy

The self-proclaimed 'opal capital of the world', Coober Pedy's many attractions lie primarily below the earth's surface. Once you've explored this fascinating community – including fossicking for opals in surrounding mines – look further afield to Aboriginal owned Kanku-Breakaways Conservation Park, where you'll travel along a stretch of the Dog Fence: a barrier spanning 5,300 kilometres across three states. The only thing more surreal than the natural landscape is the constructed one this afternoon at Coober Pedy Opal Fields Golf Club, where the fairways are dirt and sand. Pick up a club to thump balls around the oil-soaked putting green. And then learn more about the region's history at the Big Winch 360°, a 'circlevision' cinematic experience, where you'll join your fellow travellers for dinner. **B D**

7 Coober Pedy – Port Augusta

It's hard to imagine landscapes more dramatic than those you'll have experienced so far. But the bar is officially raised by those at Lake Hart, another vast saltpan that sparked a community in the 1930s. Today, it's all but deserted, the isolation reminding you that Mother Nature always rules. The vastness of the South Australian outback here was no doubt one of the reasons why it – specifically Woomera – was chosen to become the world's largest military land base. Established by the British in 1947, the countryside here has been a testing base for atomic bombs, ballistic missiles and satellite boosters. It's a piece of Australian history few know of, but that you will leave appreciating, as you head toward your evening's repose in the natural harbour of Port Augusta. **Hotel: Majestic Oasis. B**

8 Port Augusta – The Barossa – Depart Adelaide

The Barossa needs no introduction – your journey today will take in one of Australia's oldest wine regions, and local makers know a thing or two about creating memorable vintages. Lambert Estate reveals some of the finest regional drops, your lunchtime tipples complemented by glorious views over the vines. Cheers to that! You'll arrive in plenty of time for your Adelaide flight, your heart, mind and spirit filled with the natural and human wonders of a region that exudes superlatives. **B L**

Tropical Queensland: Gold Coast to Cairns

Highlights

✂ Flexible Holidays

Choose your own optional adventures on the Gold Coast, in the Whitsundays and Cairns, where surf and sand meet rainforest hinterland. Hike, swim, snorkel, cruise, repeat.

📍 Iconic Sites

How many people get to say they visited two World Heritage Sites on a single holiday? You can: the Great Barrier Reef and the Wet Tropics of Queensland.

🌿 Make Travel Matter

Your Great Barrier Reef cruise operator on Magnetic Island strictly follows guidelines for responsible marine wildlife viewing, aiming to protect the diverse marine life of this natural wonder.

🌳 Natural Wonders

Some of the world's oldest tropical rainforest envelops Cairns, this verdant tangle of ferns and palms a natural magnet for native wildlife.

1 Welcome to the Gold Coast

The Gold Coast boasts a sparkling reputation – for good reason. It enjoys 300 days of sunshine a year, which you can bask in when you touch down in the Queensland city and start to take its pulse at your leisure. But before you do, we have lofty treat for you. Join a guide to head 77 stories up into the air in the iconic Q1 building, where the city unfolds before you from the SkyPoint Observation Deck. At your Welcome Dinner we'll give you tips on how to spend tomorrow, whether padding along beaches (there's 57km of coastline to explore), discovering colourful neighbourhoods or heading to the hinterland. **Hotel: Novotel Surfers Paradise, 2 nights. D**

2 Gold Coast Free Time

The Gold Coast may have a laid-back vibe, but this is Australia's sixth-largest city. There's a lot to pack in, so bring your stamina. The hardest thing you have to do today is decide which direction to set your compass. Begin the day on the sand, perhaps, whether at legendary beaches like Surfers Paradise or further afield in hamlets of the south or along calm estuaries. Foodie? Hop between cafés, restaurants, bars and vibrant markets. Discover the city's cultural vibe browsing museums and galleries. Or feel the cool of the Gondwana rainforest in the hinterland, where walking tracks lead to distilleries and wineries between time-forgotten villages (own expense). We challenge you to do it all. **B**

3 Gold Coast – Airlie Beach

Say farewell to the Gold Coast and fly north to Airlie Beach, the gateway to the dazzling 74 tropical islands of the Whitsundays. Life moves at a slow pace in Airlie, in keeping with the balmy climes. Follow the lead of locals and soak it all in – slowly – while getting a taste for the produce of the region at any number of alfresco restaurants and bars. Or splash about in Airlie's enormous man-made lagoon, particularly pretty at sunset. The choice is yours this afternoon and evening. **Hotel: Mantra Club Croc, 2 nights. B**

4 Airlie Beach Free Time

The Whitsundays is home to some big-name islands, Hayman, Hamilton and Daydream among them. But there are endless others to discover, whether from the air or the water. Today we're letting you choose. Perhaps

rise early for a scenic helicopter ride over Heart Reef. Or catch a catamaran to Whitehaven Beach, with sand so high in silica it squeaks underfoot. You can also opt to go chasing waterfalls in the lush hinterland, where hiking trails weave through the emerald canopy and lead to gem-like waterholes (all own expense). Whichever way you go, be sure to pack your swimsuit. **B**

5 Airlie Beach – Townsville – Magnetic Island

Just off the coast of Townsville, Magnetic Island is a very special pocket of national parkland. In fact, more than two thirds of the land here is protected, woven with 25km of hiking trails. Alight your ferry and get your bearings with a local guide, to glimpse palm-fringed beaches backdropped by enormous granite boulders, hidden waterfalls and forests of lush hoop pines and eucalypts where koalas like to hang out. Fun fact: the island is home to the largest population of koalas in northern Australia. It's all enveloped by opaline lagoons that glimmer in Queensland's tropical sun. **Hotel: Peppers Blue on Blue, 2 nights. B D**

6 Magnetic Island

Those gleaming coral reefs you glimpsed yesterday? Today, on our **MAKE TRAVEL MATTER™** Experience, you're getting a close-up look on a cruise around Magnetic's 23 bays and endless beaches. Jump aboard your floating chariot to glide across the Great Barrier Reef Marine Park, learning about what's being done to protect this fragile ecosystem. It can get warm in these parts; thankfully you'll have plenty of time to cool off with a dip or snorkel before heading back to land. Tonight, discover the island's restaurants and bars at your own pace. **B**

7 Magnetic Island – Townsville – Cairns

From the reef to the rainforest – today you're heading even deeper into Tropical North Queensland. Return by ferry to dry land and travel by coach from Townsville to Cairns, a place where two World Heritage Sites converge: the Great Barrier Reef meets the Wet Tropics of Queensland. Needless to say, it's a pretty special destination. Take your time soaking up the tropical surrounds of this city, whether you're wandering along the buzzy Esplanade, enjoying seafood by the marina or checking out one of the bars that now call Cairns home. **Hotel: DoubleTree by Hilton, 3 nights. B**

Great Barrier Reef

8 Cairns and Surrounds

Things cool down when you journey to Kuranda, set high on the eastern edge of the Atherton Tablelands. This village in the rainforest comes with personality to spare. It's also an important floral and faunal corridor, as you'll discover when you arrive and explore at your leisure. You'll take in the natural drama from your ride on the Skyrail Rainforest Cableway, offering you a bird's-eye view over strangler figs, orchids and palms, not to mention gushing waterfalls. Keep watch for the elusive cassowary, which calls this part of the world home. The rest of the day and evening is at your leisure. **B**

9 Great Barrier Reef

The Great Barrier Reef is the largest of its kind in the world. Today you'll get to dive into part of it on a high-speed catamaran cruise over the Coral Sea. Pull on your mask and snorkel (equipment provided) to swim with turtles, moray eels, giant clams and a menagerie of tropical fish. Your guides will tell you how important this ecosystem is to the biodiversity of the planet. If you prefer to keep your hair dry, the marine wonderland can also be glimpsed from an underwater observatory and glass-bottom boat. A tropical buffet lunch will be served before you return to Cairns. Endless sunshine, countless beaches, memories of coral reefs and tropical fish, rainforests, and waterfalls... you'll be glowing when it's time to say goodbye to your fellow travellers after your Farewell Dinner. **B L D**

10 Farewell from Cairns

We bid you farewell, we wouldn't blame you for lingering to catch a final few rays before you fly home, though. **B**

EXCLUSIVE EXPERIENCE

Internationally acclaimed artist Bruce Munro is noted for his immersive site-specific installations that employ light to evoke emotional response, often in an outdoor context and on a monumental scale. His Field of Light, inspired by a trip to Uluru over 30 years ago, is installed in a remote desert area within sight of majestic Uluru. It is his largest installation to date, with Munro and his team installing more than 50,000 slender stems crowned with radiant frosted glass spheres. It is truly a magical sight to behold.
